

Join the Responsible Energy Advocates Programme (REAP), win an eco-trip and more!

04 August 2016 || TO NUS Students

YTL PowerSeraya invites you to join their Responsible Energy Advocates Programme (REAP). Stand to win cash, plus an eco-trip to an award-winning resort!

To enrol, complete the attached application form and send it to YTL PowerSeraya **before 30 August 2016**.

Are you the one we seek?

We take pride in our environmental and green initiatives.

Join the Responsible Energy Advocates Programme (REAP) and you may just stand a chance to win a trip to the lush Pangkor Laut Eco-Resort, sponsored by YTL PowerSeraya, one of the top multi-utilities provider in Singapore.

I WANT TO:

- Make a positive impact on the environment
- Gain detailed knowledge on saving energy
- Have an opportunity to be offered an internship with YTL PowerSeraya
- Be equipped with skills to create my own mobile phone app
- Gain recognition for sustainability efforts, from NEA and YTL PowerSeraya

If you ticked most of the boxes above, come join us as our change agent and attend a 4-day workshop that teaches you the ins and outs of energy conservation.

Register your interest in the REAP **before 30 August 2016** with the attached application form.

For further information on REAP, visit www.reap-sg.com.

Alternatively, contact: Mr Kevin Lee at (+65) 98321697 or drop a note at kevinlee@pseraya.com.sg.
