Green Jobs and Sustainability – What Does it Mean to you?

Which of the following statements apply to you?

- You want a green job
- You are between the ages of 18 and 30
- You want to be mentored by experienced CSR and sustainability practitioners
- You want an internship working on sustainability issues and projects
- You want to be a part of a youth organising committee
- You want to learn about the latest trends in CSR and sustainability
- You want to be inspired
- You want to work for a socially responsible and sustainable organisation

If you said 'yes' to any of the statements above, join us for a chat on 13 August at the NTUC Center, 1 Marina Boulevard, Room 701 at 9.30 am.

On that day, we will tell you the latest about CSR and sustainability and the green job scene in Singapore. Also, hear from young, inspirational individuals who are doing well in their careers and why they chose to have green jobs.
