

Green Wave Environmental Care Competition 2016

23 March 2016 || TO NUS Students

Do you have any good ideas for environmental conservation and protection projects such as in the areas of water management, air pollution control, waste management and nature reserves?

If your answer is yes, you are invited to submit your ideas to the Green Wave Environmental Care Competition 2016. The first prize is \$10,000 and includes a one-month attachment to a Shell affiliate company.

The deadline for submitting your project proposal is 15 April 2016 while the actual submission deadline is 31 July 2016. For more information, please visit <http://www.sembship.com/greenwave/>.

Green Wave Environmental Care Competition 2016

Editing photo is a breeze. With a few clicks and there - you have a perfect photograph! Well sadly, Mother Nature cannot be beautified that easily. Be empowered and make a difference to help keep Mother Nature beautiful. We all love a real good photograph don't we? Take part in the Green Wave Environmental Care Competition and share with us your ideas on environmental conservation and protection. Who knows, you might be the one who keeps this world as good looking as you!
