## What's your Singapore Environment Story?

The National Environment Agency will be celebrating SG 50 with the Singapore Environment Story, and they are inviting you to share precious memories of yours, your grandparents or your parents. You can also share memories from anyone whom you know of who have played a part and witnessed how Singapore's environment has transformed over the past 50 years.

Contact NEA at [ourevironmentstory@nea.gov.sg](mailto:ourevironmentstory@nea.gov.sg) for more information on this project.

**SHARE YOUR SINGAPORE ENVIRONMENT STORY FOR SG50**

Do you remember the roadside hawker stalls, or the iconic Singapore River clean-up in the 80s? If you have a story to share, or if you know someone who has played a part in Singapore's environmental progress in the past 50 years, we want to hear from you!

Tell us your stories in 200-300 words on the cards provided, or share them at [www.OurEnvironmentStory.sg](http://www.OurEnvironmentStory.sg).

Stories submitted will contribute to the Singapore Environment Story showcase as part of the SG50 celebrations.
