

One World Challenge || An international app-based sustainable lifestyle challenge

20 October 2016 || TO NUS Students

Join people around the world in adopting sustainable lifestyle habits and stand to win prizes in [One World Challenge](#).

One World Challenge is a project featured in the [IARU Global University Climate Forum](#), in which NUS students also participated. Click [here](#) to see what NUS student projects were featured in this Forum.

Experience how fun and easy it is to live a more sustainable lifestyle!

Discover easy actions that reduce your carbon footprint and are fun at the same time! Team up with 3-6 people, exchange ideas, challenge other teams and win prizes.

Join the growing number of people who already know how easy and inspiring it is!

Available via Browser or as Mobile App

3 STEPS TO BE PART OF THE EXPERIENCE

1. Sign up

Register on **oneworldchallenge.me** and create or join a team until the **31th of October**.

2. Take action

Choose some sustainable challenges on the platform, log your progress and collect points from **31.10 - 20.11**.

3. Win Prizes

Make an impact and win!
