

## ASEAN Plus Three Youth Environment Forum 2018

5 April 2018 || TO NUS Community

Join other like-minded youths and learn about how you can contribute to the environment by taking part in the 5<sup>th</sup> ASEAN Plus Three Youth Environment Forum (AYEF), held from 30 June to 2 July 2018!

The theme for AYEF 2018, "Imagine, Create, Change", acknowledges that the youth play an important role in shaping ASEAN regional cooperation in the years ahead, and creating Environmentally Sustainable Cities (ESC) in ASEAN. You can look forward to plenary sessions and panel discussions, workshops, a field trip and ideation of proposed solutions to climate change issues. Find out more in the poster below.

Click [here](#) to apply today!

The poster features a central graphic of the Southeast Asian region highlighted in yellow on a blue globe. A yellow speech bubble contains the event title and dates. Below the globe, a list of criteria is presented with checkmarks. At the bottom, a green box with a white border contains the dates and a description of the forum. Two yellow buttons at the very bottom provide the application website and the deadline.
