

Energy Carta: Do You Know The Waste? || 10 May 2018, 11am - 4:30pm

23 April 2018 || TO NUS Students

Sent on behalf of [Energy Carta](#), a student-led sustainable energy movement

[Energy Carta](#) is proud to present the next edition of *Energy Trail* on the topic of Waste Management and its interlink with sustainable alternative energy generation in Singapore.

Register at <https://orgsync.com/171761/forms/318752>. Limited slots for site visit to Semakau landfill.

The poster features a dark background with a torn-paper effect at the top and bottom. In the top left, there is a small globe with a city and a road. The main text is in white and teal. The central image shows two hands holding a small globe of soil. The text 'DO YOU KNOW THE WASTE?' is prominently displayed in the center. At the bottom, there are three black boxes containing event details and a registration link.

Founder

Small Change

[Energy Trail](#) is an experiential learning trail which provides youth the opportunity to learn about various energy and sustainability topics through an engaging discussion with industry professionals and an interactive site visit. This year, speakers featured in the *Energy Trail* represent the **Waste Management scene in Singapore**. Through this, Energy Carta aims to engage students and increase their interest in the happenings in the Waste Management sector.
