

sustainABLE NUS Showcase @ UTown || 29 – 30 August

18 August 2017 || TO NUS Community

Come join us at the sustainABLE NUS Showcase, an inaugural exhibition and carnival highlighting how we are transforming the University into a greener campus. Learn what you can do to help realise the national vision of a liveable and endearing home, a vibrant and sustainable city, and an active and gracious community!

29 – 30 August 2017
11.30am – 2.30pm
UNIVERSITY TOWN

Guest-of-Honour
Mr Masagos Zulkifli
Minister for the Environment and Water Resources

What exactly is “Sustainability” and what is NUS doing about it?

- Sustainability in Operations**
 - Highlights from the NUS Sustainability Strategic Plan 2017-2020
 - How University Campus Infrastructure (UCI) offices are greening the campus
- Sustainability in Research & Education**
 - Featuring NUS research in Energy, Water, Waste and more
 - Environment-related degree programs and modules
- Sustainability in Community Engagement**
 - Our students leading the way!
 - Projects by InterHall Environmental Award winners, Ridge View Residential College residents, BES Drongos, Energy Carta, and NUS SAVE
- Partnerships in Sustainability**
 - Making Singapore sustainable!
 - Featuring initiatives by Ministry of Environment and Water Resources, Agri-Food & Veterinary Authority, Building and Construction Authority, National Environment Agency, National Parks Board, PUB, and South West CDC

PSST... Fun, Food and MORE!

- Take photos with the Sustainable Singapore Movement mascots at our photo booth!
- Don't miss sustainably-sourced bites from Kerbside Gourmet's Food Truck!
- Enjoy FREE popcorn and ice-cream!
