Campus in a Tropical Rainforest Week 2018

From 19 to 23 Feb 2018, spot the plants and animals featured in NUS SAVE's previous Species of the Month issues (found [here](#)), and stand a chance to win some attractive prizes!

Campus in a Tropical Rainforest (CiTR) Week 2018

Hike-and-Seek (19-23 Feb 2018)

Biodiversity Hunt

For the whole of Week 6 (19-23 Feb 2018), the plants and animals which have been featured in our previous Species of the Month issues will be taking over Kent Ridge Campus! Find and identify as many of them at participating faculties (FoS, FASS, FoE and UTown) as you can to stand a chance to win some attractive prizes!

Top prize:
A pair of GV Gold Class movie vouchers with \$40 for food and drink

Consolation prizes:
5 x \$20 Starbucks gift cards

Visit <https://tinyurl.com/save3sbiodhunt> for more details! Contest ends 23 February, 2359 hrs.

CiTR (Campus in a Tropical Rainforest) Booth

Need a little help with identifying or locating the flora and fauna? Visit our booth, and learn more about the plants and animals on campus and beyond:

Walkway outside Central Library (Level 4): 20 Feb 2018, 10am-3pm
Outside LT27 (Faculty of Science): 23 Feb 2018, 10am-2pm

Who knows? There just might be a couple of plants or animals waiting to be found there as well ;)

Southern Ridges Nature Trail and Tree Planting

For those who are not content with just running around campus, join us on a 5.6km hike during recess week across the Southern Ridges - see the panoramic views of Henderson Waves, Terrace Garden and Mount Faber Park. Binoculars will also be provided, so you'll get a taste of birdwatching as well.

Finishers of this moderately challenging trail will end off the event by planting a tree in NUS.

Date: 26 Feb 2018 (Monday of recess week)
Time: 8am-12.40pm (Start at Harbourfront MRT and end at NUS, E1A)
Sign up at: <https://tinyurl.com/save3strail18> Registration ends 23 February, 2359 hrs.
