

Operation Lifehack – The Sustainability Edition || Last chance to register!

21 February 2018 || TO NUS Students

Join Operation Lifehack and stand a chance to win a 6-week sponsored volunteering trip under [AIESEC's Global Volunteer Programme!](#) Receive opportunities to be guided by staff from Aviva Asia Digital Garage, as well as learn about the latest state-of-the-art technologies and developments in innovation solutions.

What are you waiting for? Sign up now! Registration closes **25 February 2018**.

Are you a dreamer, innovator, tree-hugger, do-gooder or just believe passionately in making the world a better place in some small way?

Then we want you!

Join Aviva Asia Digital's 3-day design challenge to find digital solutions in line with the **United Nations' (UN) Sustainable Development Goals (SDG)**.

Apart from a chance to win some awesome prizes, here are some money-can't-buy takeaways from the event:

- ◆ Be guided by experienced mentors and industry thought leaders from Aviva Asia Digital garage and partners
- ◆ Network and make contacts with various innovators, entrepreneurs and influencers in the field of sustainability
- ◆ Opportunities to learn about the latest state-of-the-art technologies and developments in innovation solutions
- ◆ Practice applying human-centred design to your work, with an opportunity to have your ideas developed and applied to real world problems

 **WE WELCOME ALL NUS STUDENTS TO PARTICIPATE!**

Register individually or as a team by **25th Feb 2018**. Spaces are limited to venue size, so register early [here](#)
