

# Save Our Water || Instagram Photography Competition & Best Saver Competition

2 February 2018 || TO NUS Community

In conjunction with World Water Day which falls on 22 March 2018, the NUS Water Management Task Force has organised a series of events such as an Instagram photography competition which is open to all staff and students, as well as a Best Saver competition open to all faculties and student housing.

Make every drop count—your actions will make a difference!
