

UNLEASH Innovation Lab 2018 || Are you the next SDG talent?

5 February 2018 || TO NUS Community

Are you a youth who wants to collaborate on ideas and solutions to achieve the [United Nations' Sustainable Development Goals](#) (SDG)?
Apply now for the UNLEASH Innovation Lab 2018!

Singapore 2018

Are you the next SDG talent?

**UNLEASH Innovation Lab 2018
is open for applications from Jan 15th to Feb 15th and you are invited!**

To find smarter, faster, and cost-effective ways to reach the Sustainable Development Goals we need next generation solutions from bold thinkers and leaders. UNLEASH will bring 1,000 hand-picked talents from around the world to Singapore to ideate and collaborate on new solutions from May 30th - June 6th, 2018.

WHY SHOULD YOU JOIN?

Gain a global network of amazing, like-minded people

Work on new ideas with leading experts and investors at your fingertips

Pitch team ideas to funders, companies, investors, and incubators

Get a unique cultural experience in Singapore

WHAT WILL YOU BE DISRUPTING?

In 2018, you can work on global SDG challenges within themes such as Climate Action, Clean Water, Affordable & Clean Energy, Quality Education, Zero Hunger, Sustainable Cities & Communities, Good Health & Wellbeing, and Responsible Consumption & Production.
