

# <YOU'RE INVITED!> 48HR Design Challenge: Operation Lifehack – The Sustainability Edition!

8 February 2018 || TO NUS Students

Are you a dreamer, innovator, tree-hugger, do-gooder or just believe passionately in making the world a better place in some small way?

## Then we want you!

Join Aviva Asia Digital's 3-day design challenge to find digital solutions in line with the United Nations' (UN) Sustainable Development Goals (SDG).

Apart from a chance to win some awesome prizes, here are some money-can't-buy takeaways from the event:

- Be guided by experienced mentors and industry thought leaders from Aviva Asia Digital garage and partners
- Network and make contacts with various innovators, entrepreneurs and influencers in the field of sustainability
- Opportunities to learn about the latest state-of-the-art technologies and developments in innovation solutions
- Practice applying human-centred design to your work, with an opportunity to have your ideas developed and applied to real world problems

 **WE WELCOME ALL NUS STUDENTS TO PARTICIPATE!**

Register individually or as a team by 25th Feb 2018. Spaces are limited to venue size, so register early [here](#)

**Grand Prize**
