

Join the Young Sustainable Impact Southeast Asia's Innovation Programme!

30 January 2018 || TO NUS Students

Passionate about the [United Nations' Sustainable Development Goals](#) and want to make an impact? If you are between the ages of 18 and 25, join the Young Sustainable Impact (YSI) Southeast Asia's Innovation Programme today!

What?

We bring together young entrepreneurs from around Southeast Asia to ideate, prototype and create real solutions to the 17 UN Sustainable Development Goals (SDGs).

How?

*A non-sustainable world is not an issue of yesterday, it is an issue of today and tomorrow.
We, the next generation can positively influence the world.*
