

## CDL E-Generation Challenge 2017

13 July 2017 || TO NUS Community

The CDL E-Generation Challenge is back with a new format this year with an EXCITING prize!

Stand to win a 14-day expedition to Antarctica, as part of the [Climate Force: Antarctica 2018](#) led by O.B.E. Robert Swan, a renowned explorer and the first man who stepped foot on both North and South Poles. This expedition is generously sponsored by the Global Green Economic Forum.

If you are between 18 and 35, do take part to contribute your solutions to tackling climate change. Otherwise, do encourage any passionate young green champions that you know of to take part!
