**5 MAR
MON**

Earth Hour "Superhero" Contest*

Organised by Office of Housing Services (OHS) and Conferences & Events Management Unit (CEU)

Do you have ideas on how to make your campus residence more sustainable? Tell us and stand a chance to win up to \$600 worth of prizes for winners! Judging will be held on 23 March in the evening, between 5pm to 7pm at your respective residences. Once all the submissions are in, OHS/CEU will inform shortlisted residents of the exact judging time.

**This contest is open to student and staff residents of NUS only.*

TUE**

Film Screening of "A Plastic Ocean" + Panel Discussion

Co-organised by the Office of Environmental Sustainability, OHS & NUS Students Against Violation of the Earth (SAVE)

Time: 6.30pm - 9.15pm
Venue: UTown Auditorium 1

Find out more about marine plastic pollution in the documentary 'A Plastic Ocean'! Join panellists from NParks, Wildlife Reserves Singapore, and the Environmental Law Students Association at NUS Law as they discuss their thoughts on marine plastic waste in Singapore before the film screening.

Singapore World Water Day @ NUS 2018

Organised by NUS Water Management Task Force

This two-day carnival is based on the following themes: water supports life, the need for clean water, the Singapore water story, the risks of rising sea levels and water shortages, smart water technologies, as well as how we can play our part in saving water!

**24 MAR
SAT**

Symposium on Futures Sustainability 2018

Organised by Bachelor of Environmental Studies students

Coinciding with the International Year of the Reef 2018, the Symposium will be diving into the topic of Sustainable Blue Spaces and looking at the various global water issues humanity is facing. It will include a panel discussion with professionals in their respective fields of work related to blue spaces, and a discussion segment for participants to engage with Professors on the various questions they have for the topic.

Earth Hour

Do your part to fight climate change and switch off non-essential lighting during Earth Hour from 8.30pm to 9.30pm! You can even include your friends and family by hosting a candle-lit dinner or going stargazing! The possibilities are endless.
