

## Symposium on Futures Sustainability 2018 (24 March) || Register now!

6 March 2018 || TO NUS Community

Sent on behalf of [Bachelor of Environmental Studies](#) students

### Have you registered for the Symposium on Futures Sustainability?

Coinciding with the International Year of the Reef 2018, the Symposium will be diving into the topic of Sustainable Blue Spaces and looking at the various global water issues humanity is facing. It will include a panel discussion with professionals in their respective fields of work related to blue spaces, and a discussion segment for participants to engage with Professors on the various questions they have for the topic.

Sign up today at [tinyurl.com/bluespaces18](https://tinyurl.com/bluespaces18)! For speakers' details, please refer to the image below (page 2). More information can also be found on the event's [Facebook page](#).
