

## Looking for enthusiasts with an app development background! || NUS SAVE & NUS Prototyping Club

1 November 2017 || TO NUS Students

Sent on behalf of [NUS Students Against Violation of the Earth \(SAVE\)](#) and [NUS Prototyping Club](#)

**NUS Students Against Violation of the Earth (SAVE)** and **NUS Prototyping Club** are collaborating to make an app! This app aims to digitise the current SAVE schemes (Project Box and Project Tumbler which reduces usage of disposables in NUS).

Join us for a chance to develop your app-creation skills! We are looking for a team who have experience in either iOS, Android or User Interface design. The app is aimed to be completed for AY18/19!

Sign up now through [this link](#) by **9 November!**
