

Tour of Community Gardens in NUS || 27 Oct, 4.00 – 5.30pm

16 October 2017 || TO NUS Community

Did you know that there are community gardens on campus cared for by NUS staff and students? The Office of Environmental Sustainability, Raffles Hall and University Scholars Programme invite you to tour their community gardens. See what is grown in these gardens, and interact with our community gardeners!

To register, please click [here](#). Slots will be filled on a first-come-first-serve basis.
