**Do you have extra reusable bags that you do not need?  
Donate them to the NUS SAVE Reusable Bag Library (RBL) collection drive!**

The RBL project is an initiative under NUS SAVE that aims to provide the NUS community with reusable bags free of charge.

It consists of two phases:

**Collection drive:** Simply drop your reusable bags at collection boxes around campus which will be sorted and placed on RBL shelves.

**Launch phase (to be announced later):** Grab one reusable bag from any RBL shelf outside Guardian, Fair Price, Science Co-op or Nanyang Mart before walking in and making your purchase, and say "No" to plastic bags! When you no longer need the reusable bag, just return it to any RBL shelf.
