(Changing the Game)

Join as a team member and:

- Liaise with existing partners to conduct Changing the Game (CtG)
- Link up and collaborate with contacts who have expressed interest in incorporating CtG into their programmes
- Design a suitable version of CtG for students in the primary school level range/an alternative activity to conduct
- Take over as project director in the future

Amazing race simulation

- Become a project director and lead the team in the planning and conceptualisation phase
- Join as a team member and work together to develop a suitable programme, following which come up with ideas to refine and improve the existing programme
- Execute and ensure the smooth flow of the programme

Youth leadership workshop

New projects

NUS SAVE

NUS SAVE is recruiting members for their 26th Management Committee! As an award-winning environment club in NUS, we are active in creating campaigns for the school community to encourage a greener lifestyle. If you have any skills to contribute, are keen on picking up campaigning skills or are looking for an enriching extra-curricular experience, there's always a position suitable for you!

NUS SAVE

Join us in our efforts to make
NUS a greener campus!

For a list of roles available, job scope descriptions and pre-requisites, head over to <https://goo.gl/Aypxu6>.

To join our ever-growing family of environmentalists, fill out our recruitment form at <https://orgsync.com/165682/forms/330909> by **31 August 2018, 2359**. You will be contacted in the coming week on the results of your application.

For more information regarding our activities, do check out our [website](#) and [Facebook](#) page. For any enquiries, do contact nussavesg@gmail.com.

We are a non-profit organisation as well as a NUS student group founded in 2008 by a team of young adults who wanted to make a positive impact in the world. We seek to promote our cause by bringing various stakeholders together to have meaningful discourse and provide pragmatic solutions. In particular, we aim to develop interest amongst grassroots and students, offering opportunities for greater interaction between youth and industry.

Come join us and fulfil your passion in sustainability, make friends with like-minded individuals and have fun in the process! Drop us an email or visit our website and social media pages to find out more about our organisation :)
