Keynote Speaker

Dr Marcus Gover
Chief Executive Officer,
Waste & Resources
Action Programme UK
(WRAP UK)

Dr Marcus Gover has worked in the environment sector for over 25 years and is currently CEO of WRAP in the UK.

WRAP is a not for profit organisation working with governments, businesses and citizens to create a world in which resources are used sustainably. Its experts generate evidence-based solutions to protect the environment, build stronger economies and support more sustainable societies.

Marcus has a degree in chemical engineering and a PhD in combustion from Imperial College, London. He is a Fellow of the Institution of Chemical Engineers and a Corporate Member of the Chartered Institution of Wastes Management.
