7 May 2018 || TO NUS Students

Are you passionate about the environment, with lots of ideas on how to fight climate change or on how to protect our marine environment? Join PacificLight's Crea8 Sustainability Video Competition or the Maritime and Port Authority of Singapore's Waves of Change Poster Design Competition and stand to win attractive prizes!

Crea8 Sustainability Video Competition

Have some ideas on how to fight climate change? Share your ideas in a video and stand a chance to win up to \$400!

The 2018 Crea8 Sustainability Competition, organised by PacificLight, encourages young Singaporeans to address environmental challenges, share stories and innovative solutions to demonstrate their passion in tackling the global challenge of sustainability and to create a sustainable Singapore. The aim of the competition is to generate ideas and initiatives around the topic of sustainability and environmental conservation.
