

NUS SAVE is Recruiting App Developers!

12 September 2018 || TO NUS Students

Sent on behalf of [NUS Students Against Violation of the Earth \(SAVE\)](#)

NUS SAVE is recruiting students to help develop our mobile application!

This app aims to digitise current SAVE schemes targeted at reducing the usage of disposables in NUS. They are Project Box and Project Tumbler, which provide students with monetary incentives to bring their own boxes and mugs respectively for takeaways.

More information about NUS SAVE and our projects can be found here –
<https://nussave.wixsite.com/nussave/green-canteens>

What are you waiting for? Join us for a chance to develop your app-creation skills!
If you have experience in programming and own an iPhone (for beta-testing on the iOS platform), we're looking for you!

Experience in Swift and/or Objective-C is a plus.

The app is estimated to be completed at the end of this academic year.
