

Kent Ridge Heritage Trail Walk || 15 March 2019

07 March 2019 || TO NUS Staff

The Kent Ridge Heritage Trail was set up to highlight the historical and natural heritage of Kent Ridge. Formerly called Pasir Panjang Ridge, Kent Ridge was the site of one of the fiercest battles during World War II. It is also the home to many indigenous plants such as Simpoh Air and Tembusu.

Join us on a walk along the section of the Trail through the green spine of NUS.
