Visit by Ms. Nancy Leppink, International Labour Organisation

The Office of Safety, Health and Environment (OSHE) hosted Ms. Nancy Leppink from International Labour Organization (ILO) on 23rd August 2016. Ms Nancy Leppink is the Chief of the Labour Administration, Labour Inspection and Occupational Safety and Health Branch within the Governance and Tripartism Department of ILO and she is based in Switzerland, Geneva.

In town as a speaker for the Singapore Workplace Safety & Health Conference, Ms Nancy took the opportunity to visit NUS and to understand NUS safety and health management. During her time in NUS, Ms. Nancy had a tour of the laboratories in Mechanobiology Institute Lab (MBI), which was arranged by Safety Officer Ms. Zoey Zhou Qian, to learn about safety practices in the laboratory.

Ms. Nancy also conducted a talk at U-Hall auditorium entitled “ILO global framework for improving and sustaining occupational safety and health”. The talk was attended by more than 55 participants from NUS and external agencies.
