Sharing of NUS Safety Management System with Ehime University

On 18 Oct 2013, Prof Toshiro Tanaka and Prof Ruth Vergin from Ehime University visited Office of Safety, Health & Environment (OSHE).

The purpose of their visit was to understand NUS Safety Management System (SMS). OSHE has jointly hosted the visit with Dept of Civil and Environmental Engineering (CEE).

After the introduction of NUS SMS and various safety programs to visitors, the team proceeded to visit CEE workshop and wet labs for better understanding of operational issues.
