Visit by Universiti Teknologi Petronas, Perak Malaysia and Dr Ai Shuhara, University of Tokyo on 19 September 2016

The Office of Safety, Health and Environment (OSHE) hosted 4 visitors from Universiti Teknologi Petronas, Perak Malaysia and Dr Ai Shuhara from University of Tokyo on 19 September 2016. The purpose of the visit is to benchmark their safety programmes against that of NUS.

Visitors from Universiti Teknologi Petronas

1. Dr Azizu Bin Buang, Lecturer, Chemical Engineering Department
2. Mr Suhaidi Bin Mustafa, Manager, Health, Safety, and Environment Department
3. Ms Noor Zamzuria Binti Ab Rahman, Executive, Health Safety and Environment Department
4. Ms Rohaida Binti Wazir, Executive, Health, Safety and Environment Department

Visitor from University of Tokyo

1. Dr Ai Shuhara, Project Senior Specialist, Environment, Health & Safety Office

The programme started with their participation in the Faculty of Engineering (FoE) Safety Day. The Safety Day talks kept the visitors engaged and they also participated actively in the games and activities at the vendors’ exhibition booths. The visit concluded with the following presentations:

1. Overview of safety health management system by Dr Wong Su Ee
2. Overview on contractor management by Ms Muthirulappan Dhanapriya
3. Implementing Chemical Waste Management in NUS by Ms Jayavani D/O Karuppasamy
4. Emergency Response Plan by Ms Tan Chuen Hui
