Having guided 20+ tours — from international delegations to families, JC/ high school students, overseas group tours from Belgium, Hong Kong, India, Indonesia, Kazakhstan, South Korea & Switzerland, and even primary/ middle school students — I've truly walked alongside them all! Hi, I'm Arsyad! I shape every walk around NUS around you: clear & informative for prospective students or corporate visitors, fun & easy-going for younger ones or families. To me, no two tours should ever feel the same. My tours go beyond sightseeing, I share practical insights on NUS admissions “hacks”, tips & tricks for campus accommodation applications, and what student life is really like at one of Asia's leading universities... insights that go beyond what you'll find on the NUS website. Whether you're a prospective student, parent, educator, or visitor, expect an engaging, interactive, and highly personalised tour that answers the questions that matter most to you. Come explore NUS with me! I'd be happy to share my personal experiences and honest advice :) Mencari lebih daripada sekadar lawatan kampus biasa? Setelah memandu lebih 20 lawatan — daripada delegasi antarabangsa hingga keluarga, pelajar JC / sekolah menengah, kumpulan pelawat dari Belgium, Hong Kong, India, Indonesia, Kazakhstan, Korea Selatan dan Switzerland, malah pelajar sekolah rendah juga — saya pernah membawa mereka semua! Hai, saya Arsyad! Saya sesuaikan setiap lawatan mengikut anda: jelas & informatif untuk bakal pelajar atau pelawat korporat, santai & menyeronokkan untuk pelajar yang lebih muda atau keluarga. Bagi saya, tiada dua lawatan yang patut terasa sama. Lawatan saya bukan sekadar melihat-lihat pemandangan	English, Bahasa Melayu/ Indonesia

			— saya kongsi tip praktikal tentang "rahsia" kemasukan ke NUS, panduan permohonan penginapan kampus, serta gambaran sebenar kehidupan pelajar di salah sebuah universiti terkemuka Asia... pandangan yang anda takkan temui di laman web rasmi NUS. I speak English, Mandarin, and Malay fluently, and I'm excited to show you around our beautiful campus while sharing my experiences of student life, academics, and campus culture. Whether you're a prospective student, an exchange student, or simply curious about NUS, I'd be happy to answer your questions and help you discover what makes NUS special. Looking forward to meeting you and exploring NUS together! 你好！我是 NUS 的大三学生，也是一名拥有一年经验的学生导游。我精通英语、中文和马来语，非常期待带领大家探索 NUS 校园，并分享我在这里的学习生活、校园文化和学生体验。无论你是未来的申请者、交换生还是访客，我都很乐意与你交流，帮助你更深入地了解 NUS。期待与你见面！	English, Chinese, Malay

33	e1485169@u.nus.edu	Keng How Chin	对我而言，导览不只是参观和打卡校园，而是深入了解一名学生每天真实经历什么、不同学院之间有什么差别、住宿和社团生活究竟如何，以及国际学生来到 NUS 后会遇到哪些惊喜与落差。 我自己完整走过出国升学、奖学金申请和适应新环境的过程，也长期分享新加坡大学的申请经验。目前，我也在提供升学申请咨询服务，因此很习惯从大量公开资料与个人经历中，找出真正有价值的细节，分享不止停留在官网表面的观察，并帮助学生和家长补足信息差。很多时候，好的导览不只是回答问题，更是帮助你发现：原来有些重要的问题，是你之前还没想到要问的。 认识我的人常说，我是一个有趣、脑洞很多，也不太按模板出牌的人。我的导览会根据你的背景、兴趣和真正关心的事情，灵活调整节奏、内容和交流方式。无论你是准留学生、家长，还是单纯想深入认识 NUS，我都希望你带走的不只是照片，而是一幅更完整、更真实，也更有温度的 NUS 图景。 To me, a campus tour is not just about sightseeing and taking photos. It is about understanding what a student actually experiences day to day, how different faculties compare, what residential and student life are really like, and what surprises or challenges international students may encounter at NUS. I have personally gone through the full journey of studying abroad, applying for scholarships, and adapting to a new environment. I have also been sharing advice on applications to Singapore universities for some time. Currently, I provide university application consulting services, so I am used to drawing meaningful insights from public information and personal experience, going beyond what is written on official websites, and helping students and parents bridge information gaps. Often, a good tour is not just about answering questions, but helping you realise that there are important questions you may not have thought to ask. People who know me often describe me as fun,	中文（普通话） / English / 粤语 / Bahasa Malaysia / Bahasa Indonesia

			imaginative, and someone who does not always follow the usual template. I will adapt the pace, content, and style of the tour according to your background, interests, and what you genuinely care about. Whether you are a prospective student, a parent, or simply someone who wants to understand NUS more deeply, I hope you will leave with more than just photos—with a fuller, more authentic, and more human picture of NUS.
